

2022 National Championship for the Kestrel Class Association. 27th August - 2nd September 2022

Yorkshire Dales Sailing Club

Agreed 16th Nov 21

Yorkshire Dales Sailing Club will incorporate the UK Kestrel National Championship into our Family Week activities which would ensure that we could also provide a vibrant and varied social programme for sailors and non-sailors. Our family week has been a modest, non racing, event in previous years and we believe that your National Championship and our Family Week with some club races would complement each other very well.

The championship would comprise of 10 races as detailed below. An event dinner for participants will be included in the entry fee. Extra tickets for the dinner will be available for partners, families etc.,

The entry fee for the event would be £150.00. Normal closing date for entries will be midnight on 30th July 2022. Late entries will require an additional £20 donation to the "Upper Wharfedale Fell Rescue"

Entry will include for the duration of the event:-

- Temporary membership of YDSC for participants, partners and their family;
- Free camping and camper vans. **Unfortunately**, we are not allowed caravans on site; There are some caravan sites close by;
- Participation in all other activities organised as part of the YDSC family week;
- Access to the facilities of our modern clubhouse 24hrs per day;
- A full Breakfast, Lunch and Evening Meal catering service at reasonable extra cost;
- Bring your own Windsurfers, Canoes and Paddle Boards or hire from the club subject of availability. Insurance of £3,000,000 is required for ALL equipment that is used on the water. (Club boats and equipment may be hired at current rates if required).

It would be appreciated if members/friends of the Kestrel Association could also help as volunteers at various times during the week.

Racing Programme: The race schedule may be amended at the Race Officers discretion to take account of predicted weather forecasts.
